**Summary :** Free rebecca s date from hell pdf download - in the corner on a long chain was an ankle shackle he sat rebecca on the bed she looked around and noticed that there weren't any windows on the walls scott had removed the windows and boarded the hole up after his first victim had thrown a chair through the window he decided that having a window in the room just wasn't necessary every year scott learned something new to improve the week long stay at the cabin with his captive it was only a few years ago that he decided to use a chain shackle one of victims learned somehow to wear the rope down and almost escaped that would have been disastrous at least on scott's end it would have after shackling rebecca's ankle to the metal ring that was welded and nailed into the floor he went to take off the tape on her wrists that were bound behind her but before he did he said if you scream no one will hear you we are on fifty acres of private property that i own so there is no one around if you try to fight me you will only cause more problems for yourself and subject yourself to a beating don't cry it won't help don't tell me that you love me or try to coerce me into having some sort of feelings for you it's not possible i am dead inside and i have no emotional feeling of love compassion empathy or any other emotion that indicates that i would somehow care for you scott then took off the duct tape of her wrists and mouth why are you doing this to me alan rebecca asked in a faint voice my name isn't alan he said as he walked out of the room
