The King James Bible not only condemns homosexuality, but even more specifically "effeminate" men:
Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind,
1 Corinthians 6:9

effeminate: a man or boy having female traits, tastes, habits, etc., traditionally considered feminine
(from "effeminate", Random House Dictionary, Random House Inc, 2012; See also Collins English Dictionary, 10th Edition, William Collins Sons & Co, 2009)

According to God's Word, men even acting out the role given to women is an abomination. However, the NIV changes this:
"Do you not know that the wicked will not inherit the kingdom of God? Do not be deceived: Neither the sexually immoral nor idolaters nor adulterers nor male prostitutes nor homosexual offenders"
New International Version, 1 Corinthians 6:9

The term "homosexual offenders" is vague enough to be interpreted any way one desires. In Whosoever Magazine, an online publication for "gay christians", a poster was asked for an answer to people who say that homosexuals are going to hell:

[After quoting the NIV 1 Cor 6:9] *"While I am a homosexual I am not an offender, only I have been with my partner in a homosexual relationship for 18 years now!!!... So, my child of God, my response to 1 Corinthians 6:9 is this: It says nothing about homosexuals who have living, committed relationships and those versions of the Bible which use the word "homosexual" are wrong, their translation is in error."*
Lynn Paul Turner, Whosoever Magazine, found on it: Gothic Spirit Church of Atlanta, 401 W. Peachtree Street NW, Decatur, GA, 30030, May 9, 2009, retrieved Sept 29, 2011, [whosoever.org]

In his mind, if any Bible disagrees with the lifestyle he has chosen, then it is wrong, which means his foundation is his own wicked heart, rather than the Christian God of the Bible. Without a reliable, preserved Word of God, like perfect King James Bible, we can all fall victim to corrupt, anti-biblical doctrines.

Virginia McKelton, an out-spoken lesbian, was a stylistic consultant on the NIV committee during its translation in the 70s.

"Mr. Johnson has always been a part of me... I tried to be homosexual. I married myself off. But what I did ultimately realize was that God created me as I was, and that this is where life was meaningful."
Virginia McKelton, NIV translator, quoted by Sue Pierce in an interview, The Witness Magazine, June, 1991, p. 20-23

"Giving gay Christians this silence also denies them the opportunity to celebrate in gratitude to God for their authentic nature and for their life-enriching mutual relationship with a loving partner."
Virginia McKelton, NIV translator, quoted by Richard Niswade, Christianity and Crisis, published Christianity and Crisis Inc., Vol. 47, 1987, p. 385
