 [Download Living Wages Equal Wages Gender And Labour Market Policies In The United States PDF](#)

Summary : Free living wages equal wages gender and labour market policies in the united states pdf download - wage setting has historically been a deeply political and cultural as well as economic process this informative and accessible book explores how us wage regulations in the twentieth century took gender race-ethnicity and class into account focusing on social reform movements for living wages and equal wages it offers an interdisciplinary account of how women s work and the remuneration for that work has changed along with the massive transformations in the economy and family structures the controversial issue of establishing living wages for all workers makes this book both a timely and indispensable contribution to this wide ranging debate and it will surely become required reading for anyone with an interest in modern economic issues

Pusblisher : Routledge on 2005-07-08 / **ISBN :** 9781134480173
