

Practice 33

Pretend that you were sent to the toy store to buy some toys for a friend's birthday. Use the chart to find the answers to the questions.

1. 1 set of jacks + 1 pin wheel = _____
_____ + _____ = _____
2. 1 balloon + 1 ball = _____
_____ + _____ = _____
3. 1 ball + 1 kite + 1 pin wheel = _____
_____ + _____ + _____ = _____
4. 1 kite + 1 set of jacks + 1 pin wheel = _____
_____ + _____ + _____ = _____

It is your turn to decide. If you have 50 cents, what will you buy for your friend? You may buy as many things as you wish without spending more than 50 cents. Write the total you spent and what you decided to buy.

Operations In Base Ten Adding Money Practice

Author : / Category :Uncategorized / Total Pages : 4 pages

[Download Operations In Base Ten Adding Money Practice PDF](#)

Summary : Free operations in base ten adding money practice pdf download - help your students with their mathematical fluency using grade-specific practice worksheets the problems give students the important repeated practice for key mathematical skills and concepts these are great for guided practice or independent work
