Close Reading the Literature

Directions: Closely reread the section in chapter 3 in which Walter goes home with Scout and Jen for lunch. Start when they arrive at the house, "By the time we reached our front steps" Continue reading until Burris leaves the classroom, "He waited until he was sure she was crying." Read each question and then revisit the text to find the evidence that supports your answer.

1. Use the text to describe the different ways Calpurnia and Scout feel about Walter eating at the house.

2. Though both Walter Cunningham and Burris Ewell are poor, use information in the book to explain how they are different.

3. Give evidence to show that Miss Caroline is an outsider in Maycomb.

4. According to the section, why is Burris at school?
