**Summary :** Free a diplomat s handbook of international law and practice pdf download - it gives me great pleasure to write a foreword to 1r sen s excellent book and for two reasons in particular in the first place in producing it mr sen has done something vvhich i have long felt needed to be done and which i at one time had am bitions to do myself vhen over thirty years ago and after some years of practice at the bar i first entered the legal side of the british foreign service i had not been working for long in the foreign office before i conceived the idea of writing - or at any rate compiling - a book to which in my own mind i gave the title of a fanual of foreign office law this work had i ever produced it in the form in which i visualised it could probably not have been published con sistently with the requirements of official discretion but this did not worry me as i was only contemplating something for private circulation within the service and in government circles mr sen s aim has been broader and more public-spirited than mine was but its basis is essentially the same
