

Critical Representations Of Work And Organization In Popular Culture

Author : Carl Rhodes Robert Westwood / **Category :** Business & Economics / **Total Pages :** 256 pages

 [Download Critical Representations Of Work And Organization In Popular Culture PDF](#)

Summary : Free critical representations of work and organization in popular culture pdf download - this book challenges traditional organizational theory looking to representations of work and organizations within popular culture and the ways in which these institutions have also been conceptualized and critiqued there through a series of essays rhodes and westwood examine popular culture as a compelling and critical arena in which the complex and contradictory relations that people have with the organizations in which they work are played out by articulating the knowledge in popular culture with that in theory they provide new avenues for understanding work organizations as the dominant institutions in contemporary society rhodes and westwood provide a critical review of how organizations are represented in various examples of contemporary popular culture the book demonstrates how popular culture can be read as an embodiment of knowledge about organizations often more compelling than those common to theory and explores the critical potential of such knowledge and the way in which popular culture can reflect on the spirit of resistance carnivalisation and rebellion

Pusblisher : Routledge on 2007-12-21 / **ISBN :** 9781134239375
