

Practice 101

Divide by 10 to convert each measurement from millimeters (mm) to centimeters (cm).

1. 10 mm _____ cm
2. 70 mm _____ cm
3. 80 mm _____ cm
4. 90 mm _____ cm
5. 100 mm _____ cm

Use >, <, or = symbols to compare each set of measurements.

6. 33 mm ○ 3 cm
7. 68 mm ○ 5 cm
8. 11 mm ○ 4 cm
9. 60 mm ○ 6 cm
10. 79 mm ○ 1 cm

Measurement Converting Metric Measures Practice

Author : / Category :Mathematics / Total Pages : 3 pages

[Download Measurement Converting Metric Measures Practice PDF](#)

Summary : Free measurement converting metric measures practice pdf download - help your students with their mathematical fluency using grade-specific practice worksheets the problems give students the important repeated practice for key mathematical skills and concepts these are great for guided practice or independent work

Pusblisher : Teacher Created Materials on 2014-01-01 / **ISBN :** 9781425885205

PDF MEASUREMENT CONVERTING METRIC MEASURES PRACTICE

measurement conversions word problems - measurement conversions word problems . john rode 2 kilometers on his bike. his sister sally rode 3000 meters on her bike. who rode the farthest and how much

16-2 converting metric measures - pbworks - practice 16-2 practice 16-2 topic 16 31 converting metric measures name the most appropriate metric unit for each measurement. 1. mass of a paperclip

converting units of measure - mathematics shed - converting units of measure measurement ... students will practice converting between different units of measure. ... common weights and measures length metric system

imperial & metric conversion practice - gabrielse family - imperial & metric conversion practice measures to metric. ... 1 tbsp cornstarch . red currant jelly (metric) title: converting metric and imperial

lesson practice b 1-3 metric measurements - practice a 1-3 metric measurements lesson 1. ... choose the most appropriate metric unit for each measurement. justify your answer. practice c 1-3 metric measurements

metric unit conversion - length - math worksheets... - metric unit conversion - length 1) 2) 3) 4) 5) 6) 7) 8) 9) 10) 11) 12) 13) 14) example 1 : 1 km = 1000 m 2.29 km = _____ m 2.29 km = 2.29 x 1000 m = 2290 m

units of measurement: a. the imperial system - units of measurement: a. the imperial system ... the most commonly used units of metric measurement are: km m cm mm linear measures: the metric system

measurements customary (u.s) and metric - measurements customary (u.s) and metric ... students will be experimenting with and converting metric units of ... chapter 12 customary and metric measurement. math ...

measuring units worksheet - homeschool math - measuring units worksheet keywords: measurement, measuring, units, worksheet created date: 10/10/2014 1:37:17 pm ...

household/metric conversion 1 kilogram 1,000 grams 1 liter ... - nursing 131 household to metric conversion ... when converting from lbs to kg \pm round your result to the nearest tenth. = (reduce any fractions.) ...

conversions between imperial and metric - vcc library - conversions between imperial and metric ... the measurement at the top of each column is ... practice converting from metric to imperial.

converting metric measures - commoncore2012tead - converting metric measures understand there are three basic units of measurement in the metric system. the meter (m) measures length. the gram (g) measures mass.

metric unit conversion - length - math worksheets 4 kids - metric unit conversion - length 1) 2) 3) 4) 5) 6) 7) 8) 9) 10) 11) 12) 13) 14) convert : 15) 16) 9360 cm = m 52.174 cm = mm 81.66 m = cm 416.8 mm = cm 28 km = m 55700 ...

lab activity: measuring with metric - if a metric measurement is less than one, ... practice converting metric units ... lab activity: measuring with metric ...

converting metric measurements worksheets - iunloience - converting measurement worksheets pdf ... metric measurement worksheets pdf metric measures worksheets pdf ... metric measurement practice worksheets pdf

metric conversion word problems answers - mknk.herokuapp - ... between metric measures of

distance practice convert units word problems metric measurement word ... online metric conversion word, converting standard sized ...

math measurement word problems no problem! - math measurement word problems no problem! ... metric system? 8. which measurement system is easier for you to ... converting to larger units

measurement and conversion table u. s. customary system - measurement and conversion table u. s. customary system 1 yd = 3 ft 3 tsp = 1 tbs ... metric system 1 m = 1,000,000 microns () 1 hectare (ha) = 10,000 m

converting customary units of capacity notes/practice - converting customary units of capacity notes ... complete each of the following by using a table to organize the measurement units. show your work. practice: (1) ...

chapter 7 measurement - mcgraw hill education - chapter 7 measurement ... below are the most common metric measures and their abbreviations. ... for more practice, ...

converting standard sized units of measurement lesson - converting standard sized units of measurement - step-by-step lesson lesson 1 measurement problem: ... converting standard sized units of measurement lesson

6-5 measurement: changing metric units - glencoe - 6-5 measurement: changing metric units ... you are converting kilograms to grams. ... to convert measures between customary units and metric units, ...

measuring centimeters - super teacher worksheets - measuring centimeters super teacher worksheets - superteacherworksheets. measure each object using the ruler shown. cm 14 cm cm 2 cm cm 7 cm glue cm

convert between yards, feet and inches - k5 learning - convert between yards, feet and inches ... convert the given measures to new units. ... convert between yards, feet and inches math practice printable elementary school

metric conversion worksheet answer key - metric conversion worksheet – answer key 1. 256 m = 25,600 cm 2. 97.25 cm = 972.5 mm 3. 952 g = 952,000 mg 4. .574 m = 574 cm 5. 5.287 l = 5,287 ml 6. 785.3 ...

15-2 converting metric measures - practice 15-2 converting metric measures name the most appropriate metric unit for each measurement. 1. mass of a paperclip 2. capacity of a water cooler

mathematics grade 4 measurement conversions - another measurement system is the metric system, ... examine the measurement systems on the table of measures ... measurement conversions tips for converting ...

unit 5, activity 1, customary and metric vocabulary self ... - ... activity 1, customary and metric vocabulary self-awareness ... linear measurement metric system ... to what unit of measurement are you converting ...

measurement units style guide - uk metric association - measurement units style guide a writer's guide to the correct usage of metric measurement units some common units ... international bureau of weights and measures ...

chapter 10: measurement 10.1 the concept of measurement - chapter 10: measurement ... a key to teaching measurement systems, including the metric system, ... converting is not amiable to mental math, ...

lesson problem solving metric measurements - 4-9 metric measurements ... step 1:determine if you are converting to a ... choose the most appropriate metric unit for each measurement.

name practice 14 4 converting customary units - title: name practice 14 4 converting customary units keywords: name practice 14 4 converting customary units created date: 9/5/2014 4:18:23 pm

title: liquid measure conversions - title: liquid measure conversions ... between measurement systems (metric, ... the following word problems give practice in converting a patient's fluid intake from ...
