

24th European Symposium On Computer Aided Process Engineering

Author : / **Category :** Science / **Total Pages :** 1954 pages

 [Download 24th European Symposium On Computer Aided Process Engineering PDF](#)

Summary : Free 24th european symposium on computer aided process engineering pdf download - the 24th european symposium on computer aided process engineering creates an international forum where scientific and industrial contributions of computer-aided techniques are presented with applications in process modeling and simulation process synthesis and design operation and process optimization the organizers have broadened the boundaries of process systems engineering by inviting contributions at different scales of modeling and demonstrating vertical and horizontal integration contributions range from applications at the molecular level to the strategic level of the supply chain and sustainable development they cover major classical themes at the same time exploring a new range of applications that address the production of renewable forms of energy environmental footprints and sustainable use of resources and water

Pusblisher : Elsevier on 2014-06-20 / **ISBN :** 9780444634436
