Summary : Free reform judaism for the rest of us pdf download - reform judaism has been tested by the spiritual torments and ideological upheavals of the last two centuries now reform judaism for the rest of us brings into discussion key tenets and opinions that shape current thinking within the faith and introduces ideas for its future development author alexander maller believes that the core message of reform judaism a modern faith inspired by the jewish heritage and the jewish and american enlightenment is entering a new phase in its history free from the defunct extremist ideologies of the last centuries american reform judaism can expand its reach into the new millennium if it strengthens its grassroots appeal to be of by and for the reform congregants it must also have a strong jewish divine faith orientation be open-minded to the realities of modern living bear a deep love of zion and uphold a strong defense of the constitution the arguments brought forth in this study stem from the author s position as a lay congregant they also arise from the fact that he is a participant in and an observer of the continuous dialogue between rank-and-file congregants and clergy as well as among congregations and various denominations of faith reform judaism for the rest of us encourages congregants to adopt a sustainable modern deity-based orientation inspired by jewish heritage and the american spirit
