

A Paratransit-inspired Evolutionary Process For Public Transit Network Design

Author :Andreas Neumann / **Category :**Science / **Total Pages :** 268 pages

 [Download A Paratransit-inspired Evolutionary Process For Public Transit Network Design PDF](#)

Summary : Free a paratransit-inspired evolutionary process for public transit network design pdf download - the minibus model of this thesis automatically adapts the supply to the demand applications include the simulation of real paratransit systems and the network planning of formal transit authorities

Pusblisher : epubli on 2014-11-26 / **ISBN :** 9783844299458
