**Summary :** Free the cloud of unknowing and the jefferson bible pdf download - and if ever thou shalt come to this cloud and dwell and work therein as i bid thee thee behoveth as this cloud of unknowing is above thee betwixt thee and thy god right so put a cloud of forgetting beneath thee betwixt thee and all the creatures that ever be made thee thinketh peradventure that thou art full far from god because that this cloud of unknowing is betwixt thee and thy god but surely an it be well conceived thou art well further from him when thou hast no cloud of forgetting betwixt thee and all the creatures that ever be made as oft as i say all the creatures that ever be made as oft i mean not only the creatures themselves but also all the works and the conditions of the same creatures i take out not one creature whether they be bodily creatures or ghostly nor yet any condition or work of any creature whether they be good or evil but shortly to say all should be hid under the cloud of forgetting in this case --- from the cloud of unknowing in a letter to adams written from monticello october 12 1813 jefferson gives a description of the volume as follows we must reduce our volume to the simple evangelists select even from them the very words only of jesus paring off the amphiboligisms into which they have been led by forgetting often or not understanding what had fallen from him by giving their own misconceptions as his dicta and expressing unintelligibly for others what they had not understood themselves there will be found remaining the most sublime and benevolent code of morals which has ever been offered to man i have performed this operation for my own use by cutting verse by verse out of the printed book and arranging the matter which is evidently his and which is as easily distinguished as diamonds in a dung-hill the result is an octavo of forty-six pages --- from the jefferson bible contemplate and explore these contrasting and complementary approaches to understanding and knowing god
